**OFFICE OF LEGISLATIVE COUNSEL**

**Thursday - 8 December 1960**

[Redacted]

2. [Redacted] - GLC) Met with Mrs. Hoyland, in Congressman George H. Fallon's office, to discuss a letter which the Congressman had received from a constituent concerning an article in the Nation magazine alleging that CIA had obtained a large tract of land in Guatemala for the purpose of training Cuban counter-revolutionaries. Mrs. Hoyland was advised that it was the Agency's policy not to comment on press items of this sort speculating on the Agency's activities, and a suggested reply to this effect was given her. Mrs. Hoyland said she understood and added that the Congressman had received letters from this individual in the past and that they were inclined to regard her as a crank.

3. [Redacted] - JSW) [Redacted] telephoned to advise that New York headquarters of RFE advised that Senator Dodd planned to visit their installation in [Redacted] within the next day or so and [Redacted] wished information concerning our relations with Senator Dodd. I filled him in on the briefing prior to Dodd's departure [Redacted] plus the briefings in [Redacted]. I also mentioned some of the past relations with Dodd including the Director's desire to meet with Dodd upon his return.
